

Dear Pastor or Youth Leader,

I am announcing an exciting youth event that can give your youth local, hands-on mission experiences in our community. This is a personal invitation for your church to be a part of Kingdom Builders 2011. Kingdom Builders is a ministry of the Middle District Baptist Association that engages youth in minor construction repair, lawn maintenance, and visitation. This year, Kingdom Builders will take place in South Richmond on **October 8, 2011**, and we need your help to make this a success. The rain date is scheduled for October 22.

Enclosed is the registration form that each youth will need to fill out. The **registration deadline is September 15, 2011**. The fee, which will help cover supplies and dinner, for Kingdom Builders is **\$15 per person**. Please send your fee and registration information to **Brenda Green at Middle District Baptist Association; 9507-D1 Hull Street Road, Richmond, VA 23236. Make checks payable to Middle District Baptist Association.**

We will meet at **7:45 AM on October 8, 2011, at Branch's Baptist Church in Southside Richmond**. The basic schedule for Kingdom Builders begins with breakfast/registration at 7:45 AM. We will depart for the mission sites at 8:15 after a time for devotionals. We will have lunch at the mission sites and we will return to the church at 4:30 for reflection, fellowship, and worship. We will conclude at 5:30 PM. Students should bring a brown-bag lunch in addition to light tools and/or gloves if they have them.

We will need your church to supply **adult supervisors** along with your youth. Some of your leaders may want to lead a work site or provide an additional set of eyes. If you have the volunteers, we have the capacity to put them to work, so do not be shy about sending them. We need you to provide **signed permission forms and a copy of their medical insurance card for each youth**. The registration form has a place for medical insurance information, but you will need to bring an additional copy. Please enclose the type and quantity of transportation vehicles.

We hope you will be involved in this mission activity in this area.
